12th July, 1895.

Dear Sirs,

With reference to my letter of the 6th December last, and previous correspondence respecting the case of your steamer "JOHN PENDER", I am directed to acquaint you that the Committee have had before them at their meeting this day a report from the Society's Surveyors here, from which it appears that your Representative has stated that you intend to place this vessel in dry dock before she again proceeds to sea for the completion of the Special Survey No.2 and examination of the keel plate, and the Committee have decided to allow the vessel's class to remain undisturbed in the Register Book upon this understanding.

I am, Dear Sirs,

Yours faithfully,

Secretary.
