3rd. April. 1900.

Gentlemen,

In confirmation of my telegram of this morning I have to authorise you, in compliance with a request received from the Owners of the steamer "LORD PANMURE", to visit this vessel together to hold a preliminary survey on hull and machinery as far as practicable, in accordance with the requirements of the Second Special Survey No. 3. You should report fully the results of this examination without waiting for the completion of your survey, and you should also give the actual scantlings and dimensions on a first entry report form, for consideration as to whether, having regard to her great age, the vessel will be eligible for a class in the Society's Register Book.

I am, Gentlemen,

Your Obedient Servant,

Secretary.

Messrs. Sandry & Cooper,

Surveyors to Lloyd's Register,

Steamer "LORD PANMURE",
