Received from Chief Ship Surveyor \_\_\_\_\_

VESSEL'S NAME Iron M Lord Panmure Report Fal No. \_\_\_\_\_

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

"The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extrast from Sub-Committee's Report, 24/3/92.)

Nature of Survey \_\_\_\_\_

Classification

It is submitted the Falmouth Surveyors be informed with reference to the Owners letter that their proposal to dispense with pillars at the side of the hatches will be approved provided <sup>the</sup> brackets be fitted as shown on the plan, and be properly riveted to the deck beams and side stringer, and 6 pillars fitted at the middle line as shown on the plan, and the work done to their entire satisfaction.

With reference to the proposal to dispense with the two hold beams between the hatchways, as these are not required by the Rules <sup>they</sup> may be dispensed with.

The plan should be returned to the Surveyor.

Lo to Fal.
