The Secretary,
Sir

I am in receipt of your classing
letter dated the 13th inst, with reference to my
report No 4362 on the steel ship "Victory".
I regret making the error in my recommendation,
but I thought she was submitted for Sea purposes
only, and inserted on the Midship section.
I will remember it in the future to follow the
exact wording of the Secretary's letter.

I beg to acquaint you that the "Sorte"
mentioned in the classing letter of the same
date, this vessel has not been under
survey by us here. I must be far Plymouth.

I am,
Sir

Your obedient servant
J. H. Bailey
