

By Maria Luiza S.

The scantlings and material
as set forth in the Report under this ves-
sel eligible for classed S.H. 1.

She also appears to be eligible
to be continued A1 for 3 years from
1874; but to entitle her to 5 years
as recommended, a plank should be
removed in each bow and buttock,
and two planks on each side as re-
quired by section 54, Survey No 2
and not listings, as has been admitted
by the Surveyors as a substitute in
some of these parts.
