GENOA

VIA S. LUCA

N° 2 Scala 2<sup>a</sup>Lloyd's Register of British  
and Foreign Shipping2, White Lion Court, Cornhill  
London.

1 Enclosure

Genoa the 6<sup>th</sup> of March 1891The  
Secretary  
Sir,

I beg to send You  
herewith enclosed and for the approval  
of the Committee a Sketch of Machinery  
section of two sisters Screw Wood Steamers  
Building at Vercusse by Mr L. Desante  
for Mr Gaggino R. D. of Singa-  
pore intended for the Coast navigation  
of India.

The Engine of the first  
one now on stock are those of the  
Steamer Sidi Baid (please see No 293 in  
1885 Edition of the Society Book) The  
Boiler is to be constructed by Messrs  
Poncello of Savignonearena and its sketch  
has been given to Mr Westermann.  
The Engine and Boiler of  
the 2<sup>nd</sup> one are to be constructed Messrs.

I am

Your obedient servant

J. S. Schiffing

Referred to the Chief Surveyor  
and Chief Engineer Surveyor.

Wood  
Two St's bldg. by *afg*  
Mr. L. Durande 9/3/91

- (2) It is submitted that Mr Schiaffino  
be requested to duly inform Mr Woodermann  
when & where the Engines of the first  
vessel can be thoroughly examined, as  
also to give him full information  
regarding the Engines & boilers to be  
constructed so that he can  
survey them during construction &  
duly arrange for the materials of the  
boilers to be tested as required by  
the Rules.

In view of the extreme proportions of this vessel, it is  
submitted that before this case receives consideration  
the Builder should be requested to state what  
trade she is intended for, and the names  
of the limiting ports between which she is to ply, for  
the information of the Committee.
