

Inspected by Chief Surveyor 1.5.99

Received from Chief Surveyor

VESSEL'S NAME *Sta. S.S. "Venus"*Report *Gen.* No. 1780

The remarks of the Chief Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Name of Surveyor

Equipment

It is submitted that before this case reaches the consideration of the Committee the letter from the Kenon Surveyor of the 25th ult. should be forwarded to the Cardiff Surveyors and they should be requested to examine the anchors in question and verify them with the test certificates, and report upon the examination for the information of the Committee.
