Particulars of Repairs and Examination

(State clearly the cause of Repairs if any, and, in detail, the nature and extent of Examinations and subsequent Repairs. Repairs on account of Damage should be separated from Repairs due to other causes. State also the dates and initials of any letters respecting this case.)

The main boilers of this vessel opened out for survey & examined over all parts.

It is submitted that this vessel is eligible to have the notification B.S. 6-85 recorded the Rules being subject to summary on per Rule 11/6/85

General Observations, Opinion, and Recommendation:—

(State clearly what alteration, if any, is suggested to be made in the existing notification of the vessel's machinery in the Register Book, consequent upon this survey.)

These boilers were found in good & safe working condition & it is submitted that the notation B.S. 6-85 be made in the Register Book.
