## Particulars of Repairs and Examination

(State clearly the cause of Repairs if any, and, in detail, the nature and extent of Examinations and subsequent Repairs. Repairs on account of Damage should be separated from Repairs due to other causes. State also the dates and initials of any letters respecting this case.)

*When this vessel was in dry dock examined the sea cocks, valves, connections, propeller &c, also examined the crankshaft & shafting and the cylinder while being overhauled for cleaning.  
New junk ring fitted to H.P. piston & new face for slide valve.*

## General Observations, Opinion, and Recommendation:—

(State clearly what alteration, if any, is suggested to be made in the existing notification of the vessel's machinery in the Register Book, consequent upon this survey.)

*As seen upon above & general survey the machinery of this vessel appears to be in good & safe working condition and it is submitted that it remain as classed in the Register Book.*
