## Particulars of Repairs and Examination

(State clearly the cause of Repairs if any, and in detail, the nature and extent of Examinations and subsequent Repairs. Repairs on account of Damage should be separated from Repairs due to other causes. State also the dates and initials of any letters respecting this case.)

When this vessel was in Dry Dock examined sea cocks, valves & connections also propeller etc. No opportunity afforded for further survey of machinery.

## General Observations, Opinion, and Recommendation :--

(State clearly what alteration, if any, is suggested to be made in the existing notification of the vessel's machinery in the Register Book, consequent upon this survey.)

As far as could be ascertained the machinery of this vessel is in good & safe working condition and eligible in my opinion to remain as classed in the Register Book.

Submitted that this vessel is eligible to remain as classed -
