## Particulars of Repairs and Examination

(State clearly the cause of Repairs if any, and, in detail, the nature and extent of Examinations and subsequent Repairs. Repairs on account of Damage should be separated from Repairs due to other causes. State also the dates and initials of any letters respecting this case.)

*When this vessel was on the slipway examined the sea connections, propeller fastenings.*

## General Observations, Opinion, and Recommendation:—

(State clearly what alteration, if any, is suggested to be made in the existing notification of the vessel's machinery in the Register Book, consequent upon this survey.)

*The above mentioned parts of the machinery of this vessel were in good & safe working condition and I am of opinion the machinery is eligible to remain as classed in the Register Book.*
