in Summer

ft. ins.

in Winter

ft. ins.

AIRS, OR EXAMINATION AS PER RULE, FOR

The double bottom in engine & boiler space tested with head of water to height of light load line & found satisfactory. The Filter repaired.

The Captain promised to get the small Kedge, required for completion of equipment, now put on board but I called at vessel a little before she sailed and found it had not then been supplied.

She is expected here again three weeks hence

SS No: 2 due

PRESENT CONDITION OF THE

Planks	Plating	where seen	Boats
Planks (Bottom) & Counter	Plating	Ceiling	Boats
Transverse Rivets	Plating	Rudder	Masts, Yards, &c.
