R. E. Mudge Esq  
Liverpool, 10th Sept. 1868

Now 'Ben Lomond'  
iii. Rec 3/2/69  
from GLS

I herewith submit

drawings and description of the Ship 'Antonia'  
as far as we are able to obtain them, with  
the view of having her classed by your  
Association, as she may be found, or made to  
deserve. The ship was built at Larnant in  
1859. A preliminary survey has been held by  
Mr. Drumford, & I now await the decision  
of the Committee as to what class she is  
entitled to, or what may be required

(Sgd.) Wm Watt

Surveyors Remarks

The ship has not been placed in dry dock  
as the Owners do not wish to incur expense  
till the pleasure of the Committee is known.  
Please see detailed report as far as was  
practicable to be made

(Sgd.) W. Drumford
