

14th April, 1841
Gentlemen,

I have to acquaint you that the Committee have dealt with the Report No 5340 on the S. S. Egyptian Monuments and have allowed her 1000 3 Dues and Shilten Dues, with a load line of 23 feet 6 inches and I enclose a printed memorandum, also one of 4 days later.

With respect to the Dues in the sides of this vessel, I request Mr Dodd will describe in detail the method adopted for closing them and also express his opinion ^{whether} they are efficiently closed.

I am,

Gentlemen
Yours obedient servant
