Dear Sir, "Simla".
We are sorry that we missed you when you called at the
Ship this forenoon. We are now enabled to advise you that the Harbour
Master has promised to place the "Simla" in the Framing Dock on
Friday first at latest and having engaged the dock for 40 tides
thereafter during this time we expect to undertake all the em-
templated operations upon the Hull below the water line.

We shall therefore be glad to have a visit from you
at your earliest convenience.

Yours faithfully,
Dobie & Co.
