

31st August 1877.

W. T. Mumford Esq.

Messrs Lloyd's Surveyors
Glasgow.

Dear Sir,

We invite your visitation
Committee to visit the "Simla" when
here next week, and if you let us know
beforehand the day that will be most
convenient to them one of us shall be
on the spot to afford every explanation
of the operations we are carrying out
to Owners' instructions.

Perhaps Wednesday or Friday next
would suit; We think you go to
Dumbarton on Thursdays?

Yours faithfully,

Dobie & Co.
