

DOBIE & Co.,
SHIPBUILDERS,
GOVAN,
GLASGOW.

3rd September 1877
W. J. Mumford Esq. Lloyd's Office
Newald Street.

Dear Sir, "Simla."

In reply to your favour (of date 1st inst.)
Monday the 17th or Tuesday the 18th inst. will
suit us quite well for visit from your vis-
itation Committee, as we at present expect
the "Simla" will still be in the Graving dock
on both these days, but she may leave on the
19th inst.; and we shall be happy to hear from
you which of the two first named days we
may be in attendance to meet the Committee
on board.

As regards the intended call upon you
of Mr. E. T. Alexander, subsequent to your interview
with Mr. Young, our Mr. Johnston mentioned to
you that there were waited upon an outline of
all that was to be proposed up to the light water
line say 12 feet draught, ere the Owner could decide
upon proceeding. We remain
yours faithfully, Dobie & Co.
