Dear Mr. Gillespie,

I find that  
in the remarks on the back  
of the Report of S. S. "Brace  
Major" h<sup>o</sup> 8270 that I have  
omitted to complete the  
sentence referring to the  
freboard, and would therefore  
feel obliged if you would  
add after "awning deck",  
"has been marked on the  
ship's side".

With kindest regards

To you and all friends -

I am,

Yours truly
