## REPORT ON SHIP FORGINGS.

Sir,

I beg leave to report that the undermentioned Forgings, manufactured by Messrs Marr & Co of Duntocher for the Vessel No. 114, being built by Messrs H. Murray & Co of Dumbarton have been inspected by me in course of being forged and smithed, and found to be, so far as can be seen, sound and efficient.

The three forgings, in this stern frame, were welded together at Messrs H. & R. McIntyre & Co. Forge. Dalnair.

Mark on Forging.
