Dear Sir *S.S. "Euterpe"*

I have wired to owners of above
steamer about Gaugmag and have no
doubt it will be fitted provided the
reduced Freeboard of 4" be allowed by
committee — of course it can't
be commenced till we hear the result
and as it would be better to have it
put in hands as early as possible
will you kindly let me hear at the
earliest possible moment you con-
veniently can.

Yours faithfully
Wm Macfie
