The Secretary  
London.

Sir,

In compliance with the request  
contained in enclosing letter of the 20<sup>th</sup> inst  
referring to Report N<sup>o</sup> 6317, S. S. "Euler",  
I beg to state that the bulkheads are  $\frac{6}{16}$   
thickness at the lower half and  $\frac{5}{16}$ " above  
which I regret was not more clearly set  
on my Report.

I am

Sir

Your Obedient Servant
