

Wm. Cunningham Rearing -
Marine Engineer -
Cape Town

3rd July

88

Dear Sir.

Your Mr. Rearing having
informed me that your friend has
been requested to furnish estimates of
the alterations to the hulls of the
S. S. "Porpoise" - and as the vessel
was left without the repairs or alterations
required being executed - Will you
be kind enough to inform me what
reasons the ~~Porpoise~~ gave for not
effecting the alterations - and what
were the alterations you estimated
for - particularly could they have
been finished without causing delay
to the vessel?

Please furnish me with this in-
formation as soon as it is known.

I am

Yours Very Respectfully,

Amos A. Moore
