

Wm. Linn
Marine Engineer
Capt. Linn

27th

80.

Dear Sir - Will you be kind
enough to tell me if James
Tender for the allegation to the
function of the S. S. Douglas -
and also what was the
given by the Captain for the
repairs that being effected
What time it would have
taken you to complete them
and if they could have been
finished before the vessel
left. I am

Yours Very Respectfully
James Linn
