The Secretary

Lloyd's Register of Shipping

Sir.

In reply to your letter of
yesterday relating to the registered dimensions of
the S.S. "Hoful" I beg respectfully to state that
the registered length of this vessel, as stated upon
the first entry report, was supplied by the builders;
but it now appears from inquiry at the Board of
Trade Office that the true registered length of the
vessel is 335 feet.

I am, Sir

Your obedient servant
