

Vessel named "Search Light"

Steel Screw Tug "Acton" built at Glasgow.  
by Messrs J. Fletcher & Co.

Glasgow Report 12249.

As this Vessel has been taken to Greenock  
for completion, it is submitted that before  
the case receives the consideration of the  
Committee the report and approved plans  
should be forwarded to the Greenock  
Surveyors and they should be requested  
to give the case the necessary attention  
and complete the report in due course.

Rpt & plans to  
Genl. 31/1/93.
