The Secretary, London.

Sir,

I herewith submit for the consideration
of the Committee the enclosed letter we have
received from Messrs Mackie & Thomson
with reference to the equipment for the steamers
H^{rs} 79 & 80 now being built by them.

W Owing to the small size of these vessels I am
respectfully of opinion that the equipment might
be less than is given in the upper line of Table 22.
The approved tracing is enclosed for reference.

I am, Sir,

Your obedient servant,

Jo^s. Thomson.

Mackie & Thomason Nos. 79 & 80.

In view of the small size of
these vessels & the purpose for which
they are intended (viz. coasting) it is
submitted that provided the Equipment
of Anchors & Chains be as amended
& be tested as required by the Rules,
the same will merit approval.
