The Secretary

Sir

In reply to enquiry of classing  
letter of the 30<sup>th</sup> ult. respecting the completion  
of Special Survey No. on the steamer "Inezggin".  
I respectfully beg to state that the owners  
could not test the water ballast tank in Engine  
& Boiler space owing to the repairs to the  
donkey boiler. These repairs were not completed  
until just before the vessel sailed and there  
would not have been sufficient time to pump  
the tank out before leaving. The owners have  
promised to have this attended to at first  
opportunity which will be in a few weeks time.

I am, Sir

Your obedient servant
