No. 12735

The remarks of the Chief Surveyor are desired on this Case for the consideration of the Classing Committee.

(The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement.—Extract from Sub-Committee's Report, 24/5/92.)

When due

7.93

When proposed to be completed

In a few weeks time

Portion of Survey held, &c.

With the exception of the testing of the tanks in C & B space the requirements of the S.S. No. 1 due 7.93 have now been complied with.

The Surveyors state that the Owners propose to complete the survey on the vessels return from her present voyage in a few weeks time.

It is submitted the Owners proposal merits approval being within the limits of time allowed by the Rules for the completion of the survey namely 7.94 and the vessel appears worthy to remain classed 100 A1 without fresh record of survey as recommended.
