7th July, 1896.

Dear Sir,

With reference to the classification in this Society's Register Book of your steamer "COLINA", and to the requirements of the Rules as regards the Second Special Survey No.3 which became due on this vessel in May 1895, I am directed to acquaint you that as the vessel is lying up the Committee will not object to the Special Survey in question being postponed, provided it be held before the vessel is again sent to sea, and that you undertake to have this done if the vessel remain your property, and should she be offered for sale to inform intending purchasers that the class is allowed to remain subject to this being done.

I shall therefore be glad to learn that you are willing to agree to this condition.

I am, Dear Sir,

Yours faithfully,

Secretary.

Edward Watson Esq.,

170, Argyle Street,

GLASGOW.
