27th April, 1900.

Dear Sir,

With reference to my letter of the 8th September last, respecting the classification in this Society's Register Book of your steamer "ROKINO", and other vessels of your line, I am directed to acquaint you that the Committee have had the case of this vessel under consideration, and as no arrangements have been made for the completion of the long overdue Special Survey No.2 on this vessel, and you informed the Society's Surveyor at Auckland that you could not state whether the survey would be completed or not, the Committee regret that they have no other alternative than to give instructions for the vessel's class to be expunged with a red line, indicating non-compliance with the Society's Rules.

I may add that upon the receipt of a satisfactory report from the Society's Surveyors on the completion of the survey in question, the vessel will be eligible to have her class re-instated in the Society's Register Book.

I am, Dear Sir,

The Managing Director,
Union Steamship Co. of New
Zealand,
DUNEDIN, N.Z.

Yours faithfully,

Secretary.
