29th May, 1900.

Gentlemen,

With reference to the limit on the main boiler of the steamer "EVELEEN", I have to request that you will ascertain from the Owners and let me know what further action has been taken in regard to the fitting of the new boiler, which it is understood has been made at Glasgow by Messrs. Barclay, Curle & Co.

I am, Gentlemen,

Your obedient Servant,

The Surveyors,

BELFAST.

Secretary.
