## CONFIRMATION OF LETTER.

12th June,

12th June 1903.

GEORGETOWN, DEM.

Sir,

Steamer "OCAMO". I duly received your letter of the 16th ultimo, the contents of which have been noted, and I enclose herewith for your information a copy of a letter which has been addressed to the Owners on the subject.

With regard to this case I have to inform you that it is the practice for the Surveyors in this Country to forward reports to this Office on form No.8 of surveys held on vessels classed with this Society, in all cases in which the surveys have not been completed and the vessels have left port, and not to withhold such reports because the vessels may be returning to the same port for advancing or completing the surveys, and I have to request that you will be guided accordingly as far as practicable in connection with the surveys held at your port.
