20th January, 1903.

Dear Sirs,

S. I duly received your letters of the 29th ultimo and 3rd instant respecting your steamer "OCAMO", and note that the Second Special Survey No.3 is being completed at Halifax.

I also note that the screw shaft will be drawn for examination when the vessel is drydocked in about four months' time, and I have to say that this arrangement is considered quite satisfactory by the Committee.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.
