No.

18080

For the ~~CHIEF SHIP SURVEYOR~~ and CHIEF ENGINEER SURVEYOR.

(In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

re of Survey

Screw shaft

When due

The screw shaft was last examined in June 00, and in reply to enquiry the Owners state the vessel is due to dock in about four months time when the shaft will again be drawn in for examination.

It is submitted this proposal might receive the favourable consideration of the Committee.
