

11th July, 1900

I have to acquaint you that I
am in receipt of a report from the
surveyors at Glasgow on the
steamers Leam & Paymouth both
from which it appears that the
special survey has been carried
out with the exception of the ranging
and examination of the cable.

That, it is stated, will be done on
the next arrival at your port. It
shall therefore be glad if you will give
the most attention.

I am, Sir,

Yours faithfully,

D. Hunter Esq.

Halifax, N.S.
