Hand-drawn diagram of a ship's hull cross-section showing internal compartments and piping. The diagram is divided into several sections from left to right: 'Aft Water Ballast Tank', 'Engine & Boiler Space', 'Fore Water Ballast Tank', and 'Peak Tank'. Key components labeled include 'Deck Pump Room', 'Sluice', 'Engine & Boiler Space', 'Coal Bunker', 'Fore Water Ballast Tank', and 'Peak Tank'. Piping is shown in red and black lines, with red lines labeled 'Ballast pipes shown by black lines' and black lines labeled 'Blue'. A note at the bottom right reads '2.4.07.'

[illegible]

Handwritten notes and labels on the diagram include:

- Deck Pump Room
- Sluice
- Engine & Boiler Space
- Deck Pump Room
- Sluice
- Fore Water Ballast Tank
- Peak Tank
- Deck Pump Room
- Sluice
- ballast pipes shown by black line blue line
- J. W. 2.4.07.
