Messrs. Russell & Co,

Dear Sirs,

I would draw your attention to our letter to you dated 29th Dec^r last, relating to the rigging of your No. 179, in which it stated that if the under deck tonnage was 2000 tons, or above, the rigging would have to be increased in diameter. Trusting that the tonnage will be found not to exceed this limit,

I am

Yours truly
(sgd.) Chas. Fowling.
