ANSR. 2

Dear Sir,

*Your letter of 31 ulto is received
& we note its' contents with regret
Surely, your Committee will not persist
in putting on us a Condition, no where
mentioned in your Rules & Regulations relating
to Chains, Cables, and anchors.*

*We really want to work in thorough
harmony with your Committee, for whom we
entertain profound respect. but ^{they} will not, we
are sure, insist on a Condition quite novel to
the situation, if they consider the matter from
all points - We have nothing to do with the
owners. & having supplied anchors to the proprietors
approved all along by you. we trust you will
on receipt wire your lawyers to accept the anchors
Yours truly
John Henry Parkes & Co
