Dear Sir,

We have to thank you for your letter of 25 inst.

We note you have instructed your surveyors to accept the clauses sent to Messrs. Hamilton's Ship. "subject to the written approval of the Owners of the vessel" of course this can be nothing to us for we do not know the Owners. Having obtained your approval that is all we have contended for, but seeing this clause may cause some or a good deal trouble, will you not kindly urge in the morning to your surveyors to accept the clauses without any limitation, inasmuch that these clauses are strictly to the proportions approved by you, are

GRK 329-0173

well proportioned and in every way of first class make and finish

Begging your kind consideration of this matter.

Yours truly
J. H. Parkes & Co

It is submitted that
such be informed the
Committee at there as
their former decision
