19th February, 1895.

Dear Sirs,

I duly received your letter of the 14th instant, respecting your steamer "NEPTUNE", and having submitted the case for the consideration of the Committee at their meeting this day, I have the pleasure to state that under the circumstances, the vessel's class has been allowed to remain undisturbed, upon the definite understanding that upon her arrival at Bilbao about the third week in March, the remaining requirements of the Special Survey No.3 will be completed, as proposed by you.

I am, Dear Sirs,

Yours faithfully,

Secretary.
