

JACKSON,
ENGINEERS & MECHANICAL WORKS

LOYD'S REGISTER OF SHIPPING
RECEIVED
25 OCT. 95
LONDON
25th Oct. 1895.

The Engineer Surveyors,
Lloyd's Register.

Sirs,

We return certificate of machinery of S.S. "Langbank",
we cannot accept with the addition regarding the drain cock
in steam pipe. We insist upon having a clean certificate, as
nothing has been done in this vessel in accordance with your
and according to the report of machinery which was signed

If there is anything in your rules authorising you to
such additions to your certificate, we shall be glad to have
hinted out to us.

Yours faithfully,

Dunsuir + Jackson
