Re: 1. Tonnage particulars  
of Amazon Steamer No 388. "Larros Todri"  
Sent you on 7<sup>th</sup> inst:-

We hereby claim a deduction  
for Crew Space as allowed in other  
vessels of this type, our estimate  
in the present case is 65.14 tons,  
which we trust your Committee  
will allow.

This claim will also  
refer to the sister vessel No 387  
"Prudente de Moraes" now fitting  
out in Freemantle.

Yours faithfully  
R. Russell
