Sir,

With reference to Classing Letter of the 11th instant regarding the weights of the anchors and chains supplied to the S.S. "Ceres", I beg respectfully to forward copies of the correspondence which has passed in this matter and the action taken in order to avoid a repetition thereof.

In the case in question the Builders' attention was immediately called - in view however of the slight deficiency arising it was thought not to be needful to submit the case. In all cases in future steps will be taken to submit the same for the consideration of the Committee as requested.

I am,

Sir,

Your Obedient Servant
