LOYDS REGISTER
LONDON.
RECD 11 OCT. 97
AN8B

Sir

I have to acknowledge receipt of your letter dated 27th August - also of enclosed copy of survey report on the masts and spars of the "Cedartank" - I may mention that the whole has arrived here in good condition.

I am now informed that instructions have been received from the Owners as well as the underwriters to repair afloat - My only regret is that so much valuable time has been wasted.

I am

Sir
Your obedient servant
Stephen
