Dear Sir,

" CEDARBANK "

We confirm message sent you today to the effect that we were waiting your reply to our letter of the 14th inst, and thank you for your wire informing us that you are writing Cape Town Surveyor fully and a letter followed to us, which we await on Monday . Our Principal had however gone ere your message arrived . We may say however that it appears to us that writing to Cape Town will cause too serious a delay and that it would be necessary to cable, but we shall advise you further on our Principal's return on Monday .

Yours faithfully

*Andrew Weir*
