Dear Sir,

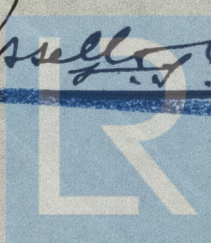

We confirm telegraphing you to-day as follows,-

" Steamer 444 lost first bower fifty cwt anchor Tail of Bank,  
" have anchor here twenty one pounds short table weight, but  
" with two on board the total is twenty one pounds excess, are  
" shipping this one vessel sailing to-day, assume under urgent  
" circumstances this will be accepted."

This we did on the request of the local Surveyor, Mr  
Phillips being from home. We have no doubt however that under the circum-  
stances of the accident, you will be good enough to approve of our ~~doing~~ <sup>action</sup>  
- The replace anchor has been sent out to the steamer to enable her to  
get to sea.

Yours faithfully,

*Russell & Co*
