Sir

In reply to your letter of the 24th
inst. regarding the S.S. "Gusnam," I beg to state
My report was detained in Glasgow until
an opportunity to examine the ship had
been afforded, the vessel however being
for sale I considered it best to forward
the reports to London, and make a further
report on the ship at the first opportunity.
I regret that I omitted to mention the
cause of this detention in my first report.
I am Sir

Your obedient servant
A. McLeod
