To Mr. Aerou

(L. C. Surveyor)

Dear Sir

I have to inform you
that, as our vessel, now building
at Russel & Co's yard, (No 458) is to
trade on the South Coast of N. S. Wales
from Sydney and that our voyages
never exceed 3 days from departure
till return to Home Port, we think
it unnecessary to apply for your
Survey of Refrigerating Machinery

Yours very sincerely

J. Thonach

Superintendent
for I. S. N. Co. Sydney
