

S.S. "ANGLIA"

It is submitted that the Surveyor be informed the proposal to alter the Class of this vessel from 100A1, "Spar Deck", to 100A1, "Shelter Deck", and to alter the arrangement of tween deck bulkheads as shown on the outline profile sent with his letter might be approved, provided partial bulkheads are fitted in the shelter tween decks over the bulkheads below.

And, provided the alterations be carried out to the Surveyor's satisfaction, and the work on completion be favourably reported upon, the vessel will be eligible to be classed 100A1, "Shelter Deck", subject to the freeboards to be assigned by the Committee, the same to be marked on the vessel's sides, inserted in the certificate of classification, and recorded in the Register Book.

With regard to his submission of the plan of deep tank proposed to be fitted in No. 4 hold, and to his statement that the Owners' Agent would call at this Office regarding the same, the Surveyor should be informed that the Owners' Agent has called and has stated that the deep tank is not to be fitted, and that the plan therefore has been cancelled.

It is also submitted that provided the girders to be fitted to the lower deck beams forward of ~~bulkhead No. 175~~ be to the Surveyor's satisfaction, the same will merit approval.

~~The Builders should be requested to submit a profile on an eighth scale showing positions and giving details of the doors and ports to be fitted in the vessel's sides.~~
