Shipbuilders & Repairers.

GREENOCK 10th September, '07
AND AT GRANGEMOUTH.

Messrs The Surveyors,

Lloyds Register,

Greenock.

Dear Sirs,

With reference to the plan of lower deck which we submitted to you for S.S. "Anglia", we note that on your approved plan you wish the intercostal girder under beams carried forward of No.173 bulkhead; but as we do not purpose making any alteration in this hold, we are arranging to stop girder at No.173 bulkhead, but as requested on your plan we will carry girder aft to after peak bulkhead or stop same short on a suitable deep beam, so that same will have a good connection.

Trusting that the above will meet with your requirements.

Yours faithfully,

S.S.
